

"Tetsu-to-Hagané"

Vol. 66, No. 14, December, 1980

Contents

Foreword

A Desire through the Window of University..... M. INOUE...2021

Technical Papers

Decomposition of Sodium Carbonate and Its Mixture with Silica by Heating and Carbon-Reduction

..... Y. NAKAMURA, K. HARASHIMA, Y. HUKUDA, N. TOKUMITSU, and S. YAMAMOTO...2023

The Standard Free Energies of Dissolution of Phosphorus Gases in

Liquid IronM. YAMAMOTO, K. YAMADA, L. L. MESHKOV, and E. KATO...2032

Shape Control Mechanism of Nonmetallic Inclusions in Steel by

Calcium Treatment.....T. IKEDA, N. FUJINO, and H. ICHIHASHI...2040

Separate Recovery of Iron and Phosphorus from BOF Slags by Using

Fe-Si Alloys.....S. TAKEUCHI, N. SANO, and Y. MATSUSHITA...2050

Effects of Strain-aging and Welding on Embrittlement of Cold-worked

Structural Steel PlatesJ. KUDOH and M. TANAKA...2058

Development of A New Test Method for Chloride Stress Corrosion Cracking of

Stainless Steels and Its Application to That of Type 316 in Dilute

NaCl SolutionsS. TSUJIKAWA, K. TAMAKI, and Y. HISAMATSU...2067

Fluorescent X-ray Analysis of Iron Content in Iron Ores by Glass Bead Technique

..... N. FUJINO, Y. MATSUMOTO, T. OCHIAi, M. YAMAJI, and H. TANI...2077

On the Effect of Combined Water on Iron Content Determination in

Fluorescent X-ray Analysis of Iron Ores by Glass Bead Technique and on

SiO₂, CaO Content Determination

..... N. FUJINO, Y. MATSUMOTO, T. OCHIAI, M. YAMAJI, and H. TANI...2086

Technical Reports

Dephosphorization of High Carbon Ferrochromium Particle by Na₂CO₃,

Na₂SO₄ and K₂CO₃ Fluxes.....K. KANEKO, N. SANO, H. ONODA, and Y. MATSUSHITA...2095

Reduction and Dephosphorization of Molten Iron-oxide with Hydrogen-

Argon PlasmaY. NAKAMURA, M. ITO, and H. ISHIKAWA...2100

Technical Review

Creep and Fatigue at Elevated TemperatureR. OHTANI...2106

Report of the Joint Research Society of ISIJ

Fundamental Study on Isolation and Determination of Carbide in SteelsK. NARITA...2119

Letter

Writing Style of Scientific Papers

.....Y. MATSUMOTO...2139

Letter from Overseas

My Impressions of Archen, Germany..... M. AMATATSU...2141

Letter to the Editor

See and Hear of Ten Steel Plants, Universities and Research Laboratories of

People's Republic of ChinaC. ASADA, R. TANAKA, and N. YUKAWA...2143

Report of Poster Session of ISIJ Meeting.....2148, Abstracts2149,

JISTIC News2155, Notice to Members.....N323,

Proceeding of the Institute.....N333, Index.....the end of the book
